TB28 BT DTH

TB28BT DTH is a 28 lt compressor fridge/freezer easy to move thanks to two wheels and a practical extractable drawbars. Light and handy but at the same time solid and spacious it's ideal for your outdoor living. The temperature can be set up to -18° and managed via bluetooth through an app available both for iOS and Android. Thanks to the App it is possible to adjust the temperature in real time and control the previous values; moreover you can set it as well for the two different sectors.
